

Recycle Rate for Water Used by Sojitz Group

- Sojitz Group companies worldwide (including Sojitz Corporation)

FY2016	FY2017	FY2018	FY2019
14%	13%	16%	10%

(Amount of water recycled divided by total usage)

[Scope of Data]

◆ FY2016~FY2018

Sojitz Corporation (including offices and branches), all Group companies in Japan, Group companies overseas.

*This does not include the overseas paper manufacturing company which we acquired in FY2018.

◆ FY2019

Sojitz Corporation (including offices and branches), Group companies in Japan, Group companies overseas.

*Due to the effect of the spread of the novel coronavirus, we have limited the scope to the 14 domestic and overseas consolidated subsidiaries with large amounts of emissions for FY2019. (Based on FY2018 results, about 90% of Sojitz Group is covered.)
