Expanding Business Areas and Working Towards Establishing Further Strengths

We will introduce examples of value creation that make use of Sojitz’s unique functions and strengths, cultivated over time and with the investment and trading that is the foundation of a general trading company at their heart. We are combining new ideas and making our strong businesses even stronger to paint a picture of Sojitz’s future with stable and sustained growth during and after the Medium-Term Management Plan 2020.

Examples of Value Creation that Demonstrate Our Functions and Strengths

Acquiring new functions

Expanding new business fields

Creating promising opportunities
