Sojitz Corporation

Aid Efforts for 'Niigata Chuetsu Earthquake'

Sojitz Corporation has decided to donate 5 million yen in relief money to help those in areas devastated by the Niigata Chuetsu earthquake.

The donation is scheduled to be made through an account designated by either the Japanese Red Cross, Nippon-Keidanren International Cooperation Center or by the Nippon Keidanren One Percent Club.

We have the greatest sympathy for people in the devastated areas, and truly hope that the areas will recover from the damage suffered as soon as possible.
