## **Aid Efforts for 'Cyclone-hit Bangladesh'**

Sojitz Corporation and Sojitz Asia PTE. Ltd. have decided to donate a total of the equivalent of 3 million US dollars in relief money to help the victims of the powerful cyclone that hit Bangladesh on 15 and 16 November (local time).

We extend our greatest sympathy to the people in the devastated areas, and truly hope that they will recover from the damage suffered at the earliest possible date.
