Sojitz Foods Corporation

Notice Concerning Products made by Tianyang Food Plant

Regarding the products made by the Tianyang Food Plant in China, we are deeply sorry for the great anxiety and inconvenience caused to consumers, our customers and to those concerned. Following is a list of the product items handled by Sojitz Foods Corporation (Head office: Minato-ku, Tokyo; President: Hirofumi Takeda), and the actions currently being taken:

Delivery destination	Item	Delivery date	Weight	Sales status
JT Foods Co., Ltd. (Shinagawa-ku, Tokyo)	23 frozen food products	January to December 2007	About 1,943 tons	JT Foods is currently recalling the subject products.
FFA International Co., Ltd. (Chuo-ku, Tokyo)	1seasoned kalbi beef short ribs product	July to November 2007	About 34 tons	Ajinomoto Co., Inc. is currently recalling the subject product.
Aoki Company (Sendai, Miyagi)	Beef tongue	May 2007	About 21 tons	Aoki Company is currently recalling the subject product.

(Sales to Aoki Company include a newly identified product, the recall of which began today.)

We are earnestly working to determine the cause of the problem as quickly as possible, and we pray for the speedy recovery of consumers who suffered health problems caused by the subject products. Your understanding and cooperation are greatly appreciated.
