Sojitz Corporation

Aid Efforts for Earthquake-stricken Areas in China

Sojitz Corporation has decided to donate a total of the equivalent of 50,000 US dollars in relief money to help the victims of the massive earthquake that struck Sichuan province in China. In addition to the relief money, funds will also be raised by Sojitz Group employees.

We extend our greatest sympathy to the people in the devastated areas, and truly hope that they will recover from the damage suffered at the earliest possible date.
