Notice of Relocation of Head Office

Sojitz Corporation will relocate its head office from the current location in Akasaka, Minato-ku to Uchisaiwaicho, Chiyoda-ku effective July 17, 2012.

The lino Building, the site of Sojitz's new head office, is a 27-story structure with five basement levels. Sojitz will occupy the 10 floors from the 17th to 26th stories. The new site has outstanding transportation access from nine subway lines at five stations. In addition, the lino Building is a green building with various environmentally-friendly features including LED lighting throughout.
