## I. Organizational Reforms

### 1. Organizational Reforms (effective as of October 1, 2018)

[Business Division]

- The **Vietnam Business Development Office** will be established under the Foods & Agriculture Business Division.

### 2. Purpose of Organizational Reforms

- The Vietnam Business Development Office has been established to capture demand and market growth accompanying the economic development and diversification of diets in Vietnam, a country in which the Foods & Agriculture Business Division already holds a strong market position. The division has previously succeeded in transforming their fertilizer businesses into a solid pillar of revenue, and by fortifying and accelerating work on the division's food and food product-related businesses in Vietnam, this office will work to create the next pillar of revenue for the division.
