## Announcement Regarding Revision of Dividend Forecast for the Fiscal Year 2014

Sojitz Corporation announces that it has revised the full-year dividend forecast per share previously released on May 8, 2014. Details are as follows.

### 1. Reasons for the Revision

Sojitz's basic dividend policy and top management priority is to pay stable dividends to shareholders on an ongoing basis, and to commit to enhancing shareholder value and improving its competitiveness by accumulating and effectively utilizing earnings. Under the Medium-term Management plan 2014, which ended with the year ended March 31, 2015, the basic dividend policy is to maintain a consolidated payout ratio of around 20%.

For the year ended March 31, 2015, in light of its fiscal 2014 results and the adequacy of its total equity, the Company announces that it has revised the year-end dividend forecast to 3.5 yen per share which will be a 1 yen per share increase from the 2.5 yen per share previously announced in May 8, 2014. As a result, the full-year dividend per share will be 6.0 yen per share. Based on profit attributable to owners of the Company, fiscal 2014 dividends equate to a consolidated dividend payout ratio of 22.7%.
